No. D-46/DEO (B)/2022

Dated – 13-09-2022

Sub:- Activities under "Swachh Sarvekshan 2023"

NDMC has always outperformed itself in all the Swachh Sarvekshan assessments till now and now set to make a mark in the upcoming "Swachh Sarvekshan 2023" with the support and hardwork of everyone. Waste reduction through promoting 3R initiatives is the prime focus.

2. The efforts of every school are being highly appreciated by NDMC towards bringing a change in the system by promoting 3R initiatives, awareness about the ill effects of using single use plastic, reusing waste products, etc. It has been observed that many schools have placed posters as being Single Use Plastic free and are also carrying out many activities by reusing waste like painting of glass bottles, making jewellery from invitation cards, plantation, etc.

3. In view of the Swachh Sarvekshan 2023, all Sec. & Sr. Sec. Schools of AAV & Navyug will carry out the activities as under –

- a) The steps/activities taken to promote awareness activities on ban on Single Use Plastic and promotion of 3R initiatives & in addition those schools who have made efforts to declare single use plastic free schools, will place posters in the school at prominent place. The schools will further submit a report in 50 words to the undersigned. **(Sample of poster attached)**

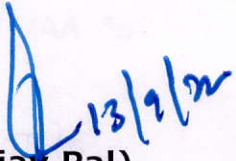

b) The following competitions may be organized in schools based on segregation of waste into dry, wet, domestic hazardous waste and sanitary waste, ban on single use plastic, waste to waste initiatives, menstrual hygiene etc.:

- i. Jingles
- ii. Poster/Drawing
- iii. Street Plays
- iv. Murals
- v. Short movie (30sec video)

The school will submit the best entries on each activity above & the report in the following format activity-wise:

S. No.	Name of the school	Name of the Student	Gender	Contact No. of the Parent	Address	Type of Competition	Description of the work done (min. 50 words)

4. The report in the desired format may be submitted by 19-09-2022.
